

Nom _____

Période _____

Wow ! How can we go another two days without French ! Oh là là! Here's a way you can keep up with your French and make sure you know your numbers!

A. Go to the website and open to French 6, numbers. Click on the arrow next to each number (1-10) and listen to it, then write the French on the line. The correct French is written under each number.

1 _____

6 _____

2 _____

7 _____

3 _____

8 _____

4 _____

9 _____

5 _____

10 _____

B. Now listen to each of the three videos at the top of the page. Which did you like best?

C. Use the Quizlet flashcards to practice listening and spelling of 0-10. If click on "View this set," you can play other Quizlet games.

Which activities did you do?

D. Now go back to part A. Cover the spelling with a paper and practice THINK, LOOK, CHECK. When you spell one WRONG in your head, highlight or star it.

Circle the ones did you had trouble spelling: 1 2 3 4 5 6 7 8 9 10

E. Copy below (five times each) the ones you need to practice (identified in part D). As you do each number, try to cover, think, look, write.
