Make a holiday card for an adult in the building (not for ME!). It can be another teacher, a secretary, an administrator, a custodian, etc... Decorate the front and possibly the inside.

Somewhere, it should have in French:

- Cher / Chère \_\_\_\_\_ (Dear \_\_\_\_\_)
- At least one holiday greeting from above
- At least 4 seasonal pictures colored
- and labeled in French from this page.

In English:

- A note for the person (in English) telling him/her why you appreciate him/her.
- Make it "WOW!" - the kind of card you'd like to receive!
